

SPRINT SCHOOL

Following the success of the Hill Climb School at Shelsley Walsh, the LMC has reserved 10 places at Curborough Sprint School for Thursday, 5th September 2019.

The main aim of the day at the Curborough Sprint School is for the participants to experience first-hand the challenges of Sprinting at a nationally respected Sprint venue.

This course is designed to be a benefit to newcomers to the sport and those who have competed before, but who wish to polish their skills. Curborough's instructors are AHASS accredited (Association of Hillclimb and Sprint Schools).

This event includes a full day of instruction on all circuit configurations, lunch, convoy and observed runs and a DVD of your experience at the Curborough Sprint Course.

Your car needs to be fully road legal, and we will need to see evidence of this together with a look at your driving licence. Cars can be shared; please indicate this on application form. Only those with a full UK driving licence can take part in the course.

We have a refreshment facility on site, where spectators can buy breakfast or lunch. Teas and coffees will be provided for participants throughout the day.

The cost of a place on the Sprint School is a very reasonable £145.

For further information or to secure your place, please contact [Bob Bradbury](#)

An approximate timetable for the day is shown overleaf.

Curborough Sprint School 6th September 2018

Programme of approximate timings
